

Entry List Now Finalised

With the entries now closed the rider list has been produced. Below is set out the final instructions. Please read and familiarise yourself with same! You will find attached the rider list; where you can look up your rider number, start/finish times.

Final Instructions:

The course will be one lap of 40 sections.

There will be a 12mph speed limit on the bridleway which forms the first part of the route, this speed limit must be strictly adhered to. There will be other signage at the start which also must be adhered to.

You have 6¾ hours to complete the course (Marks are lost for late starting and finishing up to 20 minutes at 1 mark per minute).

Follow the course marking closely; it's usually safe to ride there!

For 50/50 course riders, when required to ride the hard route there will be a "50/50 RIDE HARD ROUTE" sign at the start of the section, if there is no sign then ride the clubman route.

Marking rules will be TSR22b (no-stop).

A quick reminder as per the supplementary regulations – The use of Gopro or similar recording equipment either worn or on machine is expressly forbidden. All machines must display a registration plate.

Petrol Stops:

You will require two separate 5ltr cans, on the way into the start you will pass the 2nd/3rd petrol stop, ensure that you leave one can in the taped off area, leave the other can in your vehicle for the first petrol stop, which is when you pass through the start area after the first loop, ensure your bike is full to the top when you leave the start.

Timing:

You will be timed when you start and on the way back to start area, ensure you slow down, stop if necessary to make sure timekeeper records your time. Timekeeper will be clearly visible just before you get back to carpark.

Refreshments:

Will be available throughout the day at the start area.

And finally, we hope you enjoy the day and go home thinking that you may have won!
